MEMBERSHIP AGREEMENT

IN THIS AGREEMENT AND DISCLOSURE, THE WORDS YOU, YOUR AND YOURS MEAN ALL THOSE PARTIES WHO ARE LISTED AS OWNER(S), BORROWERS, OR GUARANTORS ON ANY ONE NEVADA CREDIT UNION ACCOUNT OF ANY KIND, JOINTLY AND SEVERALLY. THE TERMS WE, US, OUR AND CREDIT UNION REFER TO ONE NEVADA CREDIT UNION. THE TERM ACCOUNT REFERS TO ANY ACCOUNT OF ANY KIND WITH ONE NEVADA CREDIT UNION.

1. MEMBERSHIP: You must be within the field of membership to become a member of One Nevada Credit Union. You must be the first named person (primary owner) on a share (savings) account. In addition, you must deposit and maintain a minimum deposit as determined by the Credit Union and pay the initial membership fee. Credit Union membership is a privilege. It is not a right. The Credit Union has no obligation to open a membership account or to extend any services to any person. Simply being qualified to apply for membership (i.e., being within the field of membership of the Credit Union) does not obligate the Credit Union to allow any person(s) to become a member when it is in the best interests of the Credit Union to deny such a privilege. This applies to new applicants as well as to any persons whose membership is terminated for any reason who reapplies for membership at a later time.

You agree to be bound by all terms and conditions of Credit Union Bylaws, this Agreement and Credit Union policies and procedures, including any and all changes and amendments whenever made. You authorize the Credit Union to verify your information, including ID verification, on your Membership Application and any other agreements with the Credit Union. You also authorize the Credit Union to, at any time and from time to time, obtain credit bureau reports and credit scores, and to release credit information to reporting agencies.

2. JOINT ACCOUNTS: Joint ownership in an account where another party is first named does not constitute membership. Joint owners are nevertheless bound to all terms and conditions of this Agreement and Credit Union policies and procedures. If there is more than one owner on an account, all agree with each other and with the Credit Union that all sums now paid in on shares or hereafter paid in your share account by anyone or all account owners including all dividends paid thereon, if any, are and shall be owned by all account owners jointly and equally, regardless of who paid net contributions into the account, with full rights of survivorship and shall be subject to withdrawal or receipt by any of the account owners or the designated beneficiary(ies) of any of the account owners. You agree that any such payment shall be valid and shall discharge the Credit Union from any liability. The Credit Union is not obligated to inquire as to the proposed use of any sums withdrawn from the account. Joint owners may not close accounts. Joint owners may not add or remove other joint owners.

3. RIGHT OF SURVIVORSHIP: The right of survivorship arising from the express terms of a joint share account agreement with the Credit Union cannot be changed by a will.

4. ACCOUNTS FOR YOUTHS: (persons under age 18) We require any account established by a youth to be a multiple party account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft or unpaid charges or amounts on such account. We may pay funds directly to the youth without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will automatically change the account status from Youth Account to Joint Account when the youth reaches the age of majority.

5. PAY ON DEATH (P.O.D.) PAYEES: If you have made a Pay on Death designation, you understand that upon the death of both primary and all joint owners of the account, all sums shall be payable to your designated P.O.D. payee.

If there is more than one P.O.D. payee named, the sums shall be paid to each in equal shares to those P.O.D. payees surviving the deaths of all account owners.

6. VOTING RIGHTS: No transfer of voting rights or other membership privileges is permitted by virtue of a transfer of shares.

7. GENERAL PLEDGE OF SHARES: All your Credit Union share accounts are subject to a general lien on shares as set out in Section 678.530(2) of the Nevada Revised Statutes, to the extent of any obligation you have with the Credit Union. In addition, you voluntarily pledge all funds in your Credit Union accounts in satisfaction of any amounts you may owe us at any time. Funds held in an IRA account are not subject to this lien.

8. LOAN COLLATERAL: You understand and agree that any or all of the account owners may pledge any or all of the shares on deposit in share savings accounts only as collateral for any loan(s) subject to lending limitations of current Credit Union policy.

9. NON-TRANSFERABLE: You understand that all Credit Union deposit accounts are NOT TRANSFERABLE except on the records of this Credit Union.

10. LOST ITEMS: The Credit Union is not responsible for any items (checks, drafts, guarantee cards ATM cards, or any other items) lost while not in the Credit Union's possession. The Credit Union is not liable for paying a check signed in advance on which a payee or certain sum is not provided by the maker.

11. ONE SIGNATURE REQUIRED: The Credit Union may pay out funds or transact business pertaining to this account upon the request of any of the parties whose signatures appear on the Membership Application Card. Any such payment shall be valid and shall discharge the Credit Union from any liability. Any payment in good faith reliance on the terms and conditions pertaining to the type of ownership selected by me on the application card shall be valid and shall discharge the Credit Union from any liability.

12. DEPOSITS: The Credit Union may supply the endorsement on any check received from you for deposit to your share accounts.

13. PERIODIC STATEMENTS: Periodic Statements of Account shall be sent by the Credit Union to the address of record of the primary owner of this account. Generally, statements will be mailed at least quarterly. Statements of account accessed by an electronic funds transfer are mailed monthly. Accounts with aggregate dividends less than \$10 without transaction activity for the current period will not receive a statement for that period or any other period until a transaction occurs. Members opting to receive electronic statements will not receive mailed statements.

14. ORGANIZATIONAL ACCOUNTS: Accounts owned by any organization will be administered only according to the Credit Union's signature card, this membership agreement and other applicable Credit Union documents and procedures. The Credit Union shall not be subject to any other documents, including the organization's organizational or procedural documents.

15. TRUST DEPOSITORY ACCOUNTS: A self-administered or informal trust account is subject only to any resolution or authorization given to the Credit Union solely on the membership application form.

16. MODIFICATION: The Credit Union has the right to amend, modify, add to or delete from this Agreement any of its terms and conditions by mailing a notice to the current address of record of the primary owner of this account. The effective date will be shown in the mailing. Notice may be mailed with monthly statements or printed on the statement. Notice may be given electronically to members who have opted for E-statements or other electronic notices.

17. TERMINATION: The Credit Union's rights and authority under this Agreement may not be terminated by you except by written notice. Such termination shall not affect transactions completed prior to receipt of said notice. If there is more than one owner of the account, the Credit Union, may, at its sole option, require the signatures of all owners of the account to terminate this account. The Credit Union may immediately close the member(s) account(s) if after being warned, any inappropriate or abusive conduct does not significantly improve to the Credit Union's satisfaction, or in such circumstances as management may deem proper.

18. CREDIT REQUESTS: If you request any extension of credit from the Credit Union, whether written or verbal, you authorize the Credit Union to verify credit and employment information from whatever sources we deem necessary. We may also examine your credit history in order to pre-approve you for any credit programs we may have. In addition, you authorize the Credit Union to verify any information you provide to the Credit Union, including ID verification, at any time and from time to time. You also authorize the Credit Union, at any time and from time to time, to obtain credit references, credit bureau reports and credit scores, and to release credit information to reporting agencies.

19. FAXED SIGNATURES: If you sign and fax any documents in the future, the Credit Union may rely on such signature to process your request and the facsimile signature so created shall be intended to be adopted as your signature for the purposes of authenticating such agreements, and such agreements, when containing such facsimile signatures, shall be valid, binding and enforceable against you.

20. RIGHT TO FREEZE FUNDS: The Credit Union may apply a temporary freeze on funds when there is a dispute regarding ownership and control of an account or where a third party (not an owner) makes a claim to the funds.

21. FEES: Please refer to our fee schedule for additional information about charges.

22. COPPA: The Children's Online Privacy Protection Act regulates the online collection of information from minors under 13 years of age. If you are a parent or guardian sponsoring a child under 13 years of age for membership, you are consenting to the online collection of your child's information. If you decide at a later date that you are opposed to this collection of online information, simply let us know and we will close the minor's account.

23. USA PATRIOT ACT: When an Account is opened or changed, you will be asked for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying government issued documents. The definition of an account covers a broad range of regular financial transactions such as deposit, transaction, asset or credit accounts or other extension of credit. The required verification may be inconvenient for some but a strong deterrent for terrorists and other criminals. You can rest assured that we will only request the information required by the law and that we will use the information only for purposes of complying with the law. Your privacy is our top concern, and we will respect and protect it as always, consistent with the law's requirements.

24. NON-MEMBER CHECK CASHING: You agree that we may impose a fee on the payee or other holder of a check or other item drawn against your account (s) that is presented for payment over the counter (in person or otherwise) at the credit union rather than being deposited in an account at another institution and presented for payment through the check collection system.

25. BINDING ARBITRATION: We and you each affirmatively agree to settle all disputes of whatever kind or nature in connection with this Membership Agreement or your relationship with the Credit Union by mediation and/or binding arbitration as provided below. This binding Arbitration provision constitutes a voluntary arbitration agreement under the Nevada Uniform Arbitration Act and exempts the parties from mandatory court arbitration proceedings.

At your or the Credit Union's request before arbitration is commenced, the parties shall participate in formal mediation through JAMS ADR Services (or other association agreed to by you and the Credit Union) in an effort to mutually resolve the dispute. Any party may demand arbitration 30 days after the first mediation session if mediation is not successful within that time. Arbitration must commence not later than 30 days after formal mediation concludes unsuccessfully or 60 days after the notice of request for formal mediation, whichever is earlier.

Arbitration shall be conducted under the rules and auspices of JAMS ADR Services (or other association agreed to by you and the Credit Union), and judgment on the arbitration decision may be entered in any court of competent jurisdiction. The arbitration decision shall be final and binding and shall not

be subject to trial de novo. Unless otherwise requested by you and the Credit Union, all arbitration proceedings shall take place in Las Vegas, Nevada and shall be presided over by a single local arbitrator. The arbitrator shall have jurisdiction over all matters in dispute between you and the Credit Union, including all issues of arbitrability. The arbitrator shall be authorized and empowered to award injunctive and non-monetary relief.

Arbitration association and arbitrator costs and fees shall be divided equally among the parties, but the arbitrator shall have the authority to award reasonable attorney's fees to the prevailing party.

Statutes of limitation, estoppel, waiver, laches and similar doctrines otherwise applicable in court actions shall be applicable in the arbitration proceedings. Commencement of arbitration proceedings shall be deemed to be "commencement of an action" for the purpose of such doctrines, wherever argued or raised. Arbitration proceedings commence on the date a notice of demand for binding arbitration is served upon the other party.

26. STATUTORY AND CONSENSUAL LIENS ON SHARES: By signing an account card or other agreement conveying a pledge or security interest in shares, or your use of any accounts or securities you grant us, and we will impress a lien on any and all funds ("shares") in all joint and individual share accounts, regardless of the source of the shares or any owners' contributions. This lien secures any account owners joint and individual obligations to us now or in the future, whether direct, indirect, contingent or secondary. Payment of any sums to a joint owner, beneficiary or other party will be subject to payment of all outstanding obligations owed to us. You agree that this lien is impressed as of the first date that any applicable account is opened with us. This lien secures all debts you owe us pursuant to any loan agreements; under this agreement; arising from any insufficient funds item; fees; costs; expenses; or otherwise. You authorize us to apply shares to any obligations owed to us if you default or fail to pay or satisfy any obligation to us without any notice to any account owner or other party.

27. RIGHT OF SET OFF: You agree that the credit union at all times retains the common law equitable right of set off against shares with regard to any debt or obligation owed to us individually or otherwise, which right may be exercised by us without legal process or notice to any account owner.

28. ADMINISTRATIVE FREEZE: You specifically agree that we have the right to place an administrative freeze on any joint or individual accounts to preserve the credit unions lien rights, to preserve our right of set off, to comply with legal process, or otherwise without notice to any owner. Such action by the credit union shall not violate 11 USC 362, or other applicable law.

29. SHARES: For the purpose of your pledge to secure your obligations to the credit union, our common law right of set off, and otherwise, "share (s)" mean all deposits in any share savings, share drafts, club, share certificate, p.o.d., revocable trust or custodial account (s), whether jointly or individually held -- regardless of contributions, that you have on deposit now or in the future, all of which are deemed "general deposits", for the purpose of your pledge. Your pledge does not include any I.R.A., tax escrow, irrevocable trust or fiduciary account in which you do not have a vested interest.

30. UNLAWFUL TRANSACTIONS: You warrant and agree that you will not use any credit union accounts or services, including but not limited to loans, to make or facilitate any illegal transaction (s) as determined by applicable law; and that any such use, including any such authorized use, will constitute an event of default under this agreement. The credit union may decline to accept, process or pay any transaction that we believe to be illegal or unenforceable (regarding your obligation to pay us) under applicable law, including but not limited to any transaction involving or relating to any gambling activity. You agree that the credit union will not have any liability, responsibility or culpability what so ever for any use by you or any authorized user (s); or for declining to accept, process, or pay any such transaction. You further agree to indemnify and hold the credit union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use. One Nevada Credit Union complies with the Unlawful Internet Gambling Act (UIGEA-Regulation GG) by performing due diligence at the time of account opening for business/

commercial accounts. It is the policy of the Credit Union to restrict the opening of any business/commercial account which knowingly participates in restricted transactions under the Act. If the Credit Union becomes aware of a business/commercial account conducting restricted transactions, the account will be closed. Restricted transactions are prohibited from being processed at One Nevada Credit Union. Restricted transactions are those in which a person engaged in the business of betting or wagering accepts credit, funds, checks, instruments or other proceeds from another person in connection with unlawful internet gambling. We may block or reject any such restricted transactions. Further, we reserve the right to block or close any account which we believe is in receipt of such transactions.

31. SKIP PAYMENT: At our option, we may offer you the opportunity to not make ("skip") a minimum payment during certain designated billing cycles ("skip payment period"). If you do not make your minimum payment as provided in this agreement, during such designated billing cycles, you understand that we will continue to apply finance charges to your account. During the skip payment period, all other provisions of your loan or credit agreement, except for the minimum monthly payment, continue to apply. The minimum monthly payment requirement resumes in the billing cycle following an allowed skip payment period. By deferring the payment on your loan, the amount you pay for finance charges on your loan could be greater than stated on your loan disclosure. We have no obligation to accept your credit worthiness including obtaining consumer credit reports. We may charge you an application processing fee for each skip payment period that we may offer to cover our costs of investigating your qualifications for this extension including but not limited to the costs associated with researching your credit worthiness. If you choose to add the fee to your loan balance, the annual percentage rate on your loan may be affected. If you have GAP coverage on your vehicle, it is your responsibility to check with your insurance company regarding their policy on payment deferrals before participating in our Skip-A-Pay program.

32. EMAIL ADDRESS COLLECTION: In order to serve you better we may ask that you provide us with an email address. Email address information is necessary to manage our account database. We assure you that the email address you submit won't be sold or shared with any other party outside the Credit Union unless we are compelled to do so by law. On occasion we may contact you at the email address you've provided, if we have product or service information to share that may be of potential benefit.

33. LOAN COLLATERAL-DEFAULT: All vehicle loans require adequate property insurance coverage and proper evidence thereof. You understand that your loan(s) are subject to periodic default fees as disclosed to you in the Service Fee Schedule if you fail to maintain adequate property insurance and provide evidence thereof.

34. ADDITIONAL CHARGES FOR TRANSACTIONS IN A FOREIGN CURRENCY AND "CROSS-BORDER" TRANSACTIONS. CURRENCY CONVERSION FEE: If you effect or authorize a transaction with your access device in a currency other than U.S. dollars, VISA® will convert the charge into a U.S. dollar amount. The VISA® currency conversion procedure includes use of either a government mandated exchange rate, or a wholesale exchange rate selected by VISA®, as applicable. The exchange rate VISA® uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of the purchase or the date the transaction was posted to your account. A Currency Conversion Fee of up to 2% will be applied to transactions that are converted from foreign currencies to U.S. dollars.

CROSS-BORDER TRANSACTION FEE: In addition, VISA® charges us a Cross-Border Assessment up to 2% on each transaction on all cross border transactions regardless of whether there is a currency conversion. For purposes of this Section, "cross border transaction" shall include both (a) transactions initiated in a foreign country which are subsequently settled in the United States, and (b) transactions initiated in the United States but which are ultimately settled in a country outside of the United States. We will assess these fees to you to reimburse us for the fee we are required to pay for each of your transactions subject to these terms. The Cross-Border transaction fee will be shown separately on your periodic billing statement. The Currency Conversion Fee, if it applies to the transaction, will be included in the transaction amount posted on your statement.

35. MOBILE CHECK DEPOSIT: Additional terms and conditions apply to our Mobile

Check Deposit program. These terms and conditions are part of your membership agreement and can be found on our website. Your agreement to these terms and conditions is required to utilize this service.

SHARE CHECKING ACCOUNT AGREEMENT

IN ADDITION TO THE GENERAL DEFINITIONS SET OUT IN THE MEMBERSHIP AGREEMENT, THE TERM "ACCOUNT" WHERE CONTAINED IN THIS SECTION SHALL REFER TO YOUR SHARE CHECKING ACCOUNT.

1. SIGNATURES REQUIRED: If you have requested a share checking account with One Nevada Credit Union, you authorize us to recognize any of the signatures subscribed on the Membership Application Form in the payment of funds or in the transaction of any business on this account. If there is more than one owner on this account, all agree with each other and with the Credit Union that all sums now paid into this account or hereafter paid into this account by any one or more account holders shall be owned by all account owners jointly and equally regardless of who paid net contributions into the account, with full rights of survivorship and shall be subject to withdrawal or receipt by any of the account owners or any surviving account owner(s). You agree that any such payment shall be valid and shall discharge the Credit Union from any liability. The Credit Union is not obligated to inquire as to the source of funds received for deposit to a joint account or to inquire as to the proposed use of any sums withdrawn from the account.

2. LOAN COLLATERAL: Funds held in any share checking account may NOT be pledged as collateral for any purpose, to any lender other than the Credit Union. Funds may be attached in the event of default by the owner or any joint owner on any obligation owed to the Credit Union. In the event your account is referred to a collection service for lack of payment, you agree to pay all the Credit Union's collection and legal fees.

3. PAYMENT OF DRAFTS/CHECKS: We may, without liability, accept, pay, guarantee, and charge drafts/checks to the account in any order convenient to us. The Credit Union accepts no authority or discretion to determine the incompetency or incapacity of any account owner. Your death or incompetence or organizational dissolution shall not revoke our authority to accept, pay or collect a draft/check or to account for proceeds of its collection until we visually inspect a death certificate or actually know of the fact of death or court order showing incompetence or establishing guardianship and have reasonable opportunity to act on it. Even with knowledge, we may for ten (10) days after the date of death or incapacity or organizational dissolution, pay or guarantee drafts/checks drawn on or prior to that date unless ordered in writing to stop payment by a person claiming an interest in the account under rules established by us. We are under no obligation, however, to accept such stop payment order. Joint holders of the account agree to notify the credit union of the death or incapacity of any individual on this account or the dissolution of any organization.

4. NON-STANDARD PAYMENTS: The Credit Union may, at its sole discretion, but without obligation, pay funds from this account.

- When such payment would draw the account below the minimum balance as established by the Credit Union; or
- If drawn by means not previously authorized by you; or
- To honor drafts/checks presented over six (6) months past their dates.

5. WRONGFUL DISHONOR: In the event of any wrongful dishonor which occurs by mistake or good faith error, liability shall be limited to your actual damages.

6. WRONGFUL HONOR OF DRAFT/CHECK: If the Credit Union has paid a check or draft which should have been dishonored, then the Credit Union may exercise all its rights and remedies against any person, including you, which are necessary to recover any loss suffered.

7. POSTDATED ITEMS: The Credit Union shall not be liable for honoring or failing to honor a postdated or conditionally endorsed check or draft.

8. STOP PAYMENT ORDERS: You may order the Credit Union to stop payment on any check or draft written against your account, providing such request is timely and made prior to the payment of the check(s). We may, at our sole option, accept this order verbally or require that it be in writing. One Nevada is not responsible for any contractual agreement between payee and member. One Nevada is not liable for payment of the draft(s) unless payment is due to One Nevada's negligence and causes actual loss to the member. One Nevada's liability is limited to the actual amount of the draft(s). Stop payments cannot be guaranteed until 48 hours after the date and time of request. Stop payment requests cease to be effective after six (6) months unless renewed prior to expiration.

9. PERIODIC STATEMENTS: You will receive, at regular intervals determined by the Credit Union, a statement of account describing all the activity on your share checking account for the period covered by that statement. The statement will be sent to the primary owner of the account. Upon receipt, you must exercise all due care and promptness examining the statement and shall notify the Credit Union promptly, in writing, of any error. On organizational accounts, an officer, other than one who is authorized to sign checks, should review each periodic statement within 14 days of receipt. The Credit Union shall not be liable for any errors if you fail to notify us of an error within 60 days from the date the statement is sent to you. Time used in obtaining copies of checks for verification will not be deducted from the 60-day limit for reporting errors. Members opting to receive electronic statements will not receive mailed statements.

10. FEES AND CHARGES: All fees and charges pertaining to your share checking account will be disclosed to you in the Service Fee Schedule. You agree to pay us, according to that schedule, all costs and charges incident to your account. We may debit such charges against your checking account when due, except where there are insufficient funds available. In such cases, those charges will be treated as overdrafts. The Credit Union reserves the right to add, delete or change any fees and charges with proper notice. Fees continue to be charged to your account until you notify us in writing that you wish to close the account.

11. ENDORSEMENT: We may supply missing endorsements on any checks or drafts written to us for deposit into your account. You understand and agree that you are liable for all losses caused by any markings you place on any checks or drafts. If the Credit Union incurs a loss because of your marks in the area reserved for Credit Union use, your account may be charged for the loss, up to the amount of the check.

12. CHECK HOLD POLICY: All non-cash deposits made to your checking account will be credited to your account provisionally, subject to the terms of the Credit Union's Check Hold Policy. The Credit Union's Check Hold Policy is defined later in this brochure. This may affect your ability to withdraw funds.

13. TRUNCATION OF CHECKS: All checks written on your account remain the property of the Credit Union upon payment and are not returned to the account owner(s). Copies of the returned checks may be available for a fee. Checks are paid in order of presentation.

14. APPROVED FORMS: Only checks or draft blanks and other methods approved by the Credit Union may be used to withdraw funds from this account. Members assume all risk and liability related to checks obtained from any source. Checks in the 9000 series will not clear properly.

15. OVERDRAFTS.

a. General Overdraft Liability. If on any day the available funds in your checking account are not sufficient to cover checks and other items (ACH, debit card or ATM card transactions) posted to your account, those checks and items will be handled in accordance with our overdraft procedures and the terms of this Agreement. If we pay a check or item that overdraws your account, you are liable for, and agree to pay, the overdraft amount and an insufficient funds (NSF) fee immediately. If we do not pay the check or item, we will return it unpaid and you agree to pay a return item fee. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payer bank extra time beyond any midnight deadline limits.

b. How We Process Checks. The Credit Union's determination of an insufficient account balance is made at the time your check or item is presented to us, which

may be later during the day than the time you conduct the transaction. We will determine overdrafts based on the "available balance" in your account at the time of presentation. Your available balance may be lower than your actual balance due to funds held for debit card transactions you have authorized and deposited checks held pursuant to our funds availability policy. You can obtain your available balance through Online Banking, the Credit Union's mobile application, by calling our Contact Center or by visiting one of our branches.

For example, assume your actual and available balance are both \$50, and you swipe your debit card at a restaurant for \$20. The restaurant initiates a hold on your account for \$20, so your available balance is only \$30; however, your actual balance is still \$50. Then, before the restaurant charge is sent to ONCU for processing, a \$40 check that you wrote several days earlier is submitted for payment. Because you have only \$30 available (you have committed to pay the restaurant \$20), if this \$40 item is paid, your account will be overdrawn by \$10, even though your actual balance still shows \$50. In this case, we may pay the \$40 check, but we will charge you an overdraft fee as disclosed within the ONCU Fee Schedule. We will then deduct that fee from your account, further reducing your balance.

Transactions may not be presented in the order in which they occurred and the order in which checks or items are received and processed may affect if an overdraft occurs. The Credit Union processes checks, ACH, ATM and debit card transactions in the chronological order they are received.

c. Overdraft Protection Plans. If we approve your request for overdraft protection, we will provide an overdraft protection plan for you.

i. Transfers from Savings. We will honor checks and other items drawn on insufficient funds in your checking account by transferring the necessary funds from a savings account or other deposit account as you designate. If you have enough funds in your savings account, you authorize us to transfer funds in amounts necessary to cover the overdraft. If your savings account balance is insufficient to cover the overdraft amount, we will not make any transfer that overdraws your savings account. Unless another overdraft protection plan applies, we will return the check or item unpaid. There is an overdraft transfer fee for each overdraft transfer as set forth on the Fee Schedule. You may opt out of this overdraft transfer service at any time by notifying us verbally or in writing.

ii. Transfers from Line of Credit. We will honor checks and other items drawn on insufficient funds in your checking account by transferring the necessary funds from an Overdraft Protection Line of Credit Account of yours, if applicable, unless you designate a different order. If you are within the credit limit of your line of credit account, you authorize us to transfer funds in amounts necessary to cover the overdraft. If your credit limit is insufficient to cover the overdraft amount, we will not transfer any amount. Unless another overdraft protection plan applies, we will return the check or item unpaid. There is no cash advance fee, but interest will begin to accrue from the date of any advance transfer. You may opt out of this overdraft transfer service at any time by notifying us verbally or in writing.

iii. Courtesy Cash Overdraft Protection Service. We offer a discretionary overdraft service (Courtesy Cash) to cover overdrafts on your checking accounts. The Credit Union offers the Courtesy Cash service to eligible consumer checking account owners who qualify. To qualify you must consent to the Courtesy Cash service by signing an "opt-in" form, available through Online Banking, on our mobile application, by calling our Contact Center or by visiting one of our branches. Courtesy Cash is not offered to minors, fiduciary, business or organizational accounts or anyone who has caused a financial loss to the Credit Union, anyone with a past due loan payment at the Credit Union or anyone who has enrolled in a debt management program. The Courtesy Cash service is provided to qualified accounts automatically for checks; ACH and online transactions to all eligible consumer checking account owners. The Courtesy Cash service will be provided for ATM and debit card purchase transactions only if you expressly request ("opt-in") Courtesy Cash service for these transactions.

iv. Avoiding Fees. We offer other overdraft protection plans, such as transfers from savings or lines of credit, as described above, which may be less expensive than our standard overdraft practices. To learn more, visit our website or call and speak with a financial service representative at your nearest branch or through our Contact Center.

d. Terms & Conditions of Overdraft Protection Service. The Courtesy Cash service will be provided under the following terms and conditions.

i. Discretionary Service. Under the Courtesy Cash service, we are not obligated to pay any check or item presented for payment if your account does not contain sufficient funds. We may, as a discretionary service and not as a right of yours or our obligation to you, pay overdrafts up to an approved overdraft limit under the terms of this service and subject to this Agreement. This overdraft service is not a line of credit, is not guaranteed, and is independent of any loan arrangement you may have with us. We will not pay an overdraft for you in excess of any limit we have established for your account type. Also, we may refuse to pay an overdraft for you at any time, even if we have previously paid overdrafts for you.

ii. Overdraft Transactions Covered. Subject to the opt-in requirement set forth above, if on any day you do not have available funds in your account, the following transactions, which may result in an insufficient or negative balance ("overdrafts"), may be covered under our service: checks, debit card purchases, online or other electronic funds transfers, ACH debits and other payments or withdrawals authorized by you, account service charges, pre-authorized drafts, and any other items that may be posted to your account. If we pay an item, we will pay the item in the order it is presented or received by us, regardless of amount and in accordance with our normal operating procedures for such checks, items or transactions.

iii. Overdraft Limit/Available Balance. Under the Courtesy Cash service, the Credit Union may pay overdrafts up to a limit to which you qualify, we may pay overdrafts up to this overdraft limit provided you continue to qualify for the service. The Credit Union's fees and charges and each paid check or item will be included in this limit. This overdraft limit will not be included or reflected in the actual balance of your account provided by a teller, at ATM or POS facilities, through online services or on your periodic statements. If you have reached your overdraft limit, any checks or items presented to us will be returned for insufficient funds.

iv. Notification. We will make every reasonable effort to notify you by mail if you have any overdraft transaction. If you enroll in our email alerts service, we will notify you by email of any overdraft transactions. However, we have no obligation to notify you before we pay or return any item.

v. NSF Fees. There is an insufficient funds (NSF Paid) fee for each overdraft check or item we pay as set forth on the Fee Schedule. If we do not pay the overdraft, there is a NSF Returned Item fee for each check or item we return as set forth on the Fee Schedule. There is no limit on overdraft fees or overdraft transactions that we will cover in a month. If your account is overdrawn for more than 7 consecutive business days a negative balance fee will be imposed each day the negative balance continues beginning on the 8th day as set forth on the Fee Schedule. These fees may be amended as set forth in our Fee Schedule.

vi. Member Repayment Responsibility. You agree your overdraft balance, including applicable overdraft fees, is due and payable upon demand. If there is more than one owner on an account, all owners are jointly and severally liable for repayment of the overdraft balance. If you fail to repay your overdraft balance within 30 days of notice from us, we may immediately suspend the Courtesy Cash service. Accounts may be closed for failure to repay overdraft balances and we will report account closures to consumer reporting agencies.

vii. Member Opt-Out Right. We offer the Courtesy Cash service as a service and convenience to members for incidental overdrafts. We do not encourage you to repeatedly overdraw your account. We encourage you to manage your finances responsibly. After you have opted-in, you may opt out of the Courtesy Cash service at any time by notifying us verbally or in writing. We may require that any verbal opt-out be confirmed in writing. You understand that by opting out of this service, we may refuse to pay any check or item that is presented against an insufficient balance on your account and you will be responsible for any returned item fees. You are still responsible to pay any overdraft, even if you have opted out of the service.

16. JOINT ACCOUNTS: If the signature form for this account is signed by more than one person, all owners agree between themselves and with the Credit Union that each of the owners appoints the other(s) as agent and attorney in

fact to an overdraft to any of your share or loan accounts.

17. TERMINATION: You may terminate this account at any time, with written notice. The Credit Union may terminate this account at any time with good cause. “Good cause” includes, but is not limited to, fraud, excessive overdrafts not covered by available funds in your share account or your Line of Credit account, violations of agreements with this Credit Union, or other abuses of this account. Termination of an account does not excuse your liability for any checks or drafts outstanding at the time of termination.

18. GOVERNING LAW: This agreement shall be construed in accordance with the applicable provisions of the Uniform Commercial Code of the State of Nevada and the term “Credit Union” shall, for the purposes of this Agreement, be deemed to be included in the definition of a bank as found therein. This agreement voluntarily submits each person signing the application for membership to the jurisdiction of Nevada courts in all matters regarding any account held at the Credit Union.

19. CHANGE IN TERMS: We have the right to change any provision of this Agreement, with 30 days advance notice. The Credit Union also reserves the right to establish, from time to time, additional rules and regulations affecting share checking accounts.

20. CREDIT UNION RECORDS FINAL: Although deposits are evidenced by receipts, they are not verified in detail at the time the Credit Union accepts them, and deposits are subject to correcting entries if errors are discovered.

21. FEES: Please refer to the fee schedule for additional information about fees and charges.

22. SUBSTITUTE CHECKS AND YOUR RIGHTS:

What is a “substitute check”?

Federal law permits banks and credit unions to replace original checks with “substitute checks” to make check processing faster. A “substitute check” is a legal copy of the front and back of your check. You may use a “substitute check” as proof of payment just like the original check.

In making a “substitute check” the original check is destroyed. If we receive a “substitute check” on your account or as a returned check, the “substitute check” is what will be returned to you (because it’s all we have).

This notice describes your rights if you believe a mistake has been made in posting a “substitute check” to your account.

How to make a claim for refund.

If you believe a mistake has been made in posting a “substitute check” to your account, contact us at (800) 388-3000 or (702) 457-1000 (Las Vegas). You must contact us within 45 days of when the “substitute check” was delivered to you or when we mailed your account statement on which the “substitute check” appears, whichever is later. (We will extend this time period if you couldn’t make a timely claim due to extraordinary circumstances).

Tell us:

- The mistake you believe was made (for example, the incorrect amount was withdrawn from your account or a check was withdrawn twice);
- The amount of your loss;
- Why the “substitute check” you received doesn’t show that you suffered a loss;
- A copy of the “substitute check” or information to help us identify it, such as check number, date, amount, payee, etc.

Rights regarding claims for refund.

In your claim for refund, you may request us to recredit your losses to your account. Amounts you can attempt to claim include the amount withdrawn from your account, plus fees charged (e.g., NSF or bounced-check fees), plus interest (if your account is interest bearing). If your loss is less than the amount of the check, you can only recover your loss. If your loss is more than the amount of your check you may be able to recover additional amounts under the law. If you make this claim for refund, you may receive up to \$2,500 of your refund (plus interest if your account is interest bearing) within ten (10) business days after we received your claim and the rest (plus interest if your account is interest

bearing) within 45 calendar days. NOTE: We may reverse the refund and interest later if we can show that the “substitute check” was correctly posted to your account.

23. CASH PERKS: Additional terms and conditions apply to our Ca\$h Perks program. These terms and conditions are part of your membership agreement and can be found on our website. Your agreement to these terms and conditions is required to utilize this service.

TAXPAYER IDENTIFICATION NUMBER

1. FEDERAL REQUIREMENTS: Federal Law requires that you provide the Credit Union with your Taxpayer Identification Number (T.I.N.). Your T.I.N. will usually be your social security number. This number will be used when reporting interest earned by the primary owner to the IRS. You understand that failure to provide this number will subject your account to a backup withholding tax of 28%. Falsification of this number is a violation of federal law.

2. BACKUP WITHHOLDING: The interest and Dividend Tax Compliance Act of 1983 requires payers to withhold and send to the IRS 28% of payments of interest, dividends and certain other payments under certain conditions. This is called backup withholding. If you have provided the Credit Union with your proper T.I.N., you will not be subject to backup withholding unless:

- a) The IRS notifies the Credit Union that your T.I.N. is incorrect, or
- b) you are notified by the IRS that you are subject to backup withholding because you failed to report all your interest or dividends on your tax return, or
- c) you failed to certify to the Credit Union on your Membership Application form that you are not subject to backup withholding, or
- d) you failed to certify your T.I.N. on the Membership Application Form.

3. CERTIFICATION OF ACCOUNT OWNER(S): By signing the Membership Application Form, you are certifying, under penalties of perjury, that the T.I.N. indicated on that form is correct (or that you have applied for a T.I.N.) and that you are not subject to backup withholding either because you have not been notified by the IRS that you are subject to withholding as a result of a failure to report all interest and dividends or the IRS has notified you that you are no longer subject to backup withholding.

4. HOW TO OBTAIN A T.I.N.: If you do not currently have a T.I.N. you should apply for one immediately by completing form SS-5, application for a Social Security Number (individuals), or form SS-4, application for Employer Identification Number (businesses and other entities).

5. PENALTIES:

- a) Failure to provide the Credit Union with a proper T.I.N. may subject you to a \$50 penalty imposed by the Internal Revenue Service, unless the failure is due to reasonable cause and not neglect.
- b) Failure to include any portion of an includible payment of interest or dividends which were reported to you by the Credit Union in gross income will subject you to a penalty of 5% on any portion of an underpayment.
- c) If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
- d) Willfully falsifying certifications or affirmations may subject you to criminal penalties, including fines and/or imprisonment.

6. OTHER INFORMATION:

- a) You must provide the Credit Union with your correct and legal name. If your name has changed, for example, because of marriage, you are required to contact the Social Security Administration to report your new name.
- b) On joint accounts, the T.I.N. of the primary owner must be reported to the Credit Union, and it is in that number that interest will be reported to the IRS.

INACTIVE ACCOUNTS

Savings and checking accounts in which there is no deposit or withdrawal activity for a one (1) year period becomes dormant, other than dividend deposits and service

charge withdrawals. After 12 months of inactivity, all funds will be transferred to the primary savings account and subject to the \$5.00 monthly dormant fee. Funds in accounts with no activity for three (3) years may be forfeited to the State of Nevada. Notwithstanding a dormant status, the Credit Union may charge a service fee against any said account. Accounts with zero balance and no activity for six months will be closed.

FUNDS AVAILABILITY DISCLOSURE

This policy statement applies to "Transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and pre-authorized transfers to other accounts of yours with us. Share draft (checking accounts) are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our general policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and

you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, federal holidays, Nevada State Day and the day after Thanksgiving. If you make an ATM deposit before noon on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make an ATM deposit after noon or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Availability to deposits made through an ATM may vary based on account management. Contact us to inquire about your availability to ATM deposits.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit available to you on the first business day after the day of your deposit. Depending on the type of deposit, funds may not be available until the fifth business day after the day of your deposit. However, the first \$200 (effective July 21, 2011) of your deposit may be available on the first business day after we receive your deposit.

If we are not going to make all of the funds from your deposit available on the first business day after we receive your deposit, we will notify you at the time you make your deposit. We will also notify you when the funds will be available. If your deposit is not made directly to one of our employees, such as an ATM deposit, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposited will not be paid.
- You deposit checks totaling more than \$5,000 on any one (1) day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communication or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will notify you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from the electronic direct deposits into your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers and the first \$5,000 of a day's total deposits of cashiers, certified, tellers, travelers and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than U.S. Treasury Check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.
